Commissioner for Patents

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 11/2/06. The submission, however, is not fully responsive to the prior Office action because it does not address the objection to the drawings for failure to comply with 37 CFR 1.84(u)(1) concerning labeling of figures presented on multiple sheets or the objection to the claims for failure to comply with 37 CFR 1.126 due to two claims numbered as claim 31.

Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
